1.13 "Subd. 5. Other agencies and units of government. (a) The commissioner of  
1.14 management and budget must, in consultation with the secretary of state, identify any other  
1.15 state agency that is eligible to implement automatic voter registration. The commissioner  
1.16 must consider a state agency eligible if the agency collects, processes, or stores the following  
1.17 information as part of providing assistance or services: name, residential address, date of  
1.18 birth, and citizenship verification. An eligible agency must submit a report to the governor  
1.19 and secretary of state no later than December 1, 2024, describing steps needed to implement  
1.20 automatic voter registration, barriers to implementation and ways to mitigate them, and  
1.21 applicable federal and state privacy protections for the data under consideration. By June  
1.22 1, 2025, the governor, at the governor's sole discretion, must make final decisions, as to  
1.23 which agencies will implement automatic voter registration by December 31, 2025, and  
1.24 which agencies could implement automatic voter registration if provided with additional

2.1 resources or if the legislature changed the law to allow data to be used for automatic voter  
2.2 registration. The governor must notify the commissioner of management and budget of the  
2.3 governor's decisions related to automatic voter registration. By October 1, 2025, the  
2.4 commissioner of management and budget must report to the chairs and ranking minority  
2.5 members of the legislative committees with jurisdiction over election policy and finance.

2.6 The report must include:

2.7 (1) the agencies that will implement automatic voter registration by December 31, 2025;

2.8 (2) the agencies which could implement automatic voter registration if provided with  
2.9 additional resources and recommendations on the necessary additional resources; and

2.10 (3) the agencies that could implement automatic voter registration if the legislature  
2.11 changed the law to allow data to be used for voter registration and recommendations on  
2.12 how the law could be changed to allow the use of the data for this purpose."

2.13 Page 9, line 17, after the period, insert "For each individual whose United States  
2.14 citizenship has been verified, the commissioner or agency head must transmit information  
2.15 required to register to vote, as prescribed by the secretary of state, to the secretary of state  
2.16 by electronic means. The governor must determine the frequency of the transmissions for  
2.17 each agency."
